

2025 ISACo Legislative Agenda Development Timetable

Policy Committee Process

Collection of Proposals

ISACo Policy Committees are invited to suggest legislative proposals to staff. Proposals should seek to resolve known problems or provide new opportunities within the issue area scope of the policy committee. Suggested issues must be county-related. Proposals received by staff from outside of a policy committee will be referred to the appropriate policy committee for discussion.

Deadline: Proposal ideas should be submitted to staff by August 16, 2024. Staff will prepare an analysis of each proposal and, if possible, an initial draft of legislative language.

Final Review of Proposals

Staff will present the previously suggested proposals back to the Committee for a final review and approval. Approved proposals will be recommended to ISACo's Legislative Committee for consideration.

Deadline: Final approval for proposals by a Policy Committee shall occur no later than September 30, 2024.

Legislative Committee Process

The Legislative Committee will convene to consider all proposals approved by ISACo Policy Committees.

Deadline: The Committee will meet no later than October 31, 2024. If an additional meeting is necessary, the Committee will meet for the second time no later than November 15, 2024.

ISACo Board of Directors Consideration

The Board of Directors will consider the final recommendations from the Legislative Committee. Approved proposals will be included within ISACo's 2025 Legislative Agenda.

Final Approval: December 13, 2024

LRB Drafts, Bill Sponsors and Bill Filings

Staff will bring approved agenda items to the Legislative Reference Bureau (LRB) for professional drafting as House and Senate bills. Legislative sponsors will also be identified.

Deadline: Legislative proposals delivered to LRB by December 18 and the goal is to have all sponsors identified by January 17 and ISACo bills introduced by the House and Senate bill introduction deadlines.
