

# CYBERSECURITY AWARENESS MONTH

## FROM THE NACO CYBERSECURITY LEADERSHIP ACADEMY

---

October 2023 marks **20 years**  
of National Cybersecurity Awareness Month!

As security education expands across organizations, so do the cyberthreats they face. In response, counties across the country are joining the NACo Cybersecurity Leadership Academy: a 12 week [virtual course](#) with the latest insights from industry experts and current CIOs/CISOs in the field, as well as the opportunity to network with cybersecurity professionals across the nation. It coaches participants on what it means to think and act as a cybersecurity leader.

**Throughout October, NACo is extending an  
Academy BOGO to every county.**

Your county's first participant can join for \$1,995, and a second participant can join for FREE! The next Cybersecurity Leadership Academy kicks off January 8<sup>th</sup>. You can find out more at [naco.org/cyberskills](https://naco.org/cyberskills) or reach out to our Academy contact, Luke Afeman ([LukeA@pdaLeadership.com](mailto:LukeA@pdaLeadership.com)) to claim your BOGO.

Is your county prepared for a cyberattack?
